

## Health & Safety

**⚠ WARNING** **HEALTH & SAFETY WARNINGS:** To reduce the risk of personal injury, discomfort or property damage, please ensure that all users of this accessory carefully read the warnings below.

### Before Using Your VR System

- It is important that you carefully read the Health and Safety Guide enclosed with your headset in addition to these warnings before using your VR system.
- Read and follow all setup and operating instructions provided with the headset.
- Visit the Oculus Safety Center at [oculus.com/safety-center](https://www.oculus.com/safety-center) for the latest versions of the warnings for your accessory and your headset, including warnings in different languages, and for more information on the safe use of your VR system.
- This cable is not a toy and should not be used by children under the age of 13.
- Take care that this cable connecting your headset to a computer does not become a choking or tripping hazard.
- Periodically inspect this cable and connector tips for damage or signs of wear. Do not use this cable if connector ports, the cable or any part is damaged, cracked, or exposed.
- System Care
  - Do not use this cable if any part is broken or damaged.
  - Do not attempt to repair any part of this cable yourself. Repairs should only be made by an Oculus authorized servicer.
- To avoid damage to this cable, do not expose it to moisture, high humidity, high concentrations of dust or airborne materials, temperatures outside their operating range or direct sunlight.
- To avoid damage, keep your cables away from pets.
